| MONTHLY SIP<br><b>Rs. 88,500</b> | ACTIVE SCHEMES<br><b>7</b> | LUMP SUM INVESTED<br><b>Rs. 5,00,000</b> | RISK PROFILE<br><b>Aggressive</b> |
|----------------------------------|----------------------------|------------------------------------------|-----------------------------------|

### PROFILE & RISK

|                                       |                                                                         |
|---------------------------------------|-------------------------------------------------------------------------|
| Date of birth<br><b>12 Apr 1985</b>   | Occupation<br><b>Senior Product Manager at a large IT services firm</b> |
| Monthly income<br><b>Rs. 2,85,000</b> | Monthly investable<br><b>Rs. 90,000</b>                                 |
| Investment horizon<br><b>18 years</b> | Tax bracket<br><b>30%</b>                                               |
| KYC status<br><b>Done</b>             | Client status<br><b>Active</b>                                          |

Existing investments elsewhere  
EPF corpus of about Rs. 18 lakh, two LIC endowment policies maturing 2029 and 2032, and a direct equity portfolio of roughly Rs. 6 lakh concentrated in banking stocks. Also holds a Rs. 12 lakh fixed deposit earmarked as emergency fund.

Advisor notes  
Prefers monthly reviews over quarterly. Wants to avoid sectoral funds entirely. Spouse is a homemaker; single income household so emergency buffer must stay at 9 months of expenses.

### FINANCIAL GOALS

| GOAL                         | TARGET          | BY          | PRIORITY |
|------------------------------|-----------------|-------------|----------|
| Child education              | Rs. 80,00,000   | 01 Jun 2038 | High     |
| Retirement corpus            | Rs. 6,00,00,000 | 31 Mar 2045 | High     |
| Home upgrade in Pune         | Rs. 1,50,00,000 | 01 Dec 2031 | Medium   |
| International family holiday | Rs. 12,00,000   | 01 May 2027 | Low      |
| Parents' medical buffer      | Rs. 30,00,000   | 01 Jan 2029 | Medium   |

Retirement corpus  
Reviewed with client in the last annual meeting; target revised upward for inflation.

International family holiday  
Reviewed with client in the last annual meeting; target revised upward for inflation.
